

Felix Romano Output

Hello! I'm Felix Romano, Graphic Designer here at MAARS Command. I'd love to help you build a visual identity for **TechWave**.

Before I dive into the creative concepts and generate the design for you, I need to make sure the logo perfectly captures the essence of the brand. Could you please answer a few questions to help guide my creative process?

1. **What is TechWave's primary focus?** (e.g., Is it software development, a fintech platform, green energy tech, or perhaps a networking infrast
